*We All Deliver Excellence*

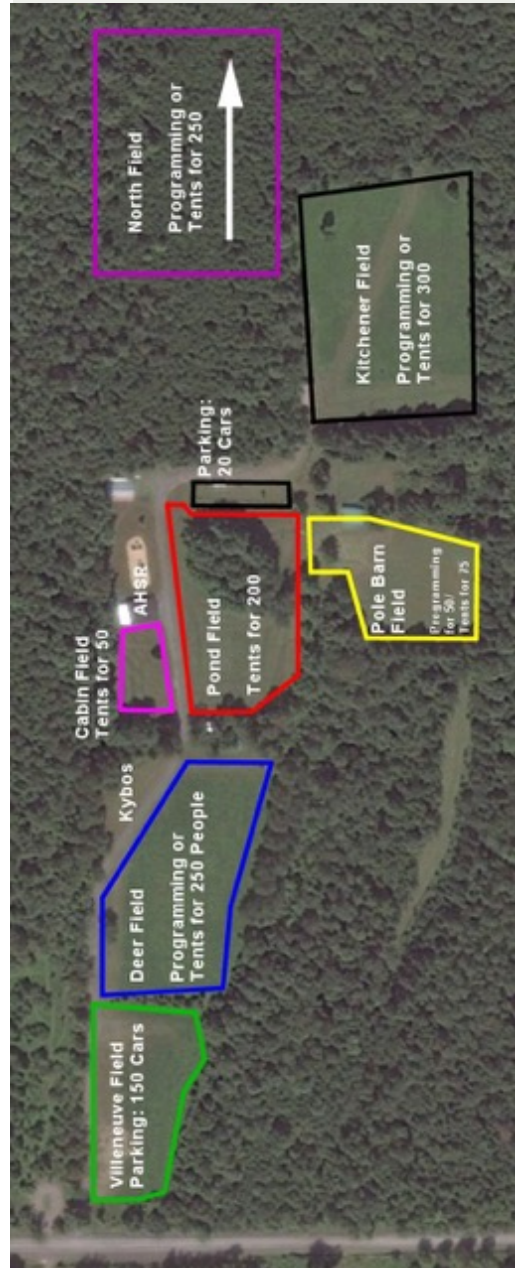

## About us

Apple Hill Scout Reserve, located in Apple Hill Ontario, has been a Scouts Canada camp since 1961. The Camp is managed by the Odawa Area of Scouts Canada, servicing Scouting and Guiding Groups in Eastern Ontario & Western Quebec. The Camp has been maintained as a "wilderness camp" since its inception, and has one winterized cabin on the property to serve as an emergency shelter for the older youth members, and as a winter camping facility for those members aged 5 to 10 years old.

Apple Hill Camp is naturally divided into north and south areas. The north has a large open field, a pond, and dense woods. The south end has a pole barn, covered shelter, winterized cabin, and three large fields. Low impact camping is required.
