

SCOUTS CANADA - Apple Hill Scout Reserve (AHSR)

We All Deliver Excellence

The Scout Law is the law of this camp.

Camp Warden: AHSRWarden@gmail.com

Aims

- 1) To promote good health and physical fitness.
- 2) To broaden the mind.
- 3) To develop a youth's initiative and so help build character.
- 4) To develop self-reliance through skills and practice.
- 5) To help youth to learn to live with one another and to develop tolerance and unselfishness.
- 6) To satisfy the desire in youth for real adventure. In this way, the youth's continued interest is most likely to be ensured and greater opportunity provided to achieve the Ultimate Aim of the Movement.

Please read and circulate all the rules to Scouters, Parents and other individuals that will be coming to AHSR for drop off purposes or for extended overnight camping.

Information about AHSR

1. All fields for camping have names, so please ensure that you are camping in the correct location. See map for more details of these areas and other facilities located throughout the entire camp.
2. **POTABLE WATER**
The water supply at the camp has not been tested to meet provincial regulations and therefore is classified as non-potable. You will have to bring your own drinking water.
3. **WINTER ACCESS**
We do our best to clean a roadway, but due to weather conditions we may not be able to have it cleaned for your arrival. Be prepared to hike in. We will do our utmost to have it cleaned as soon as possible.
4. **PONDS**
Winter access to the ponds by special permission only, check ahead for ice conditions.
5. **TELEPHONES**
The camp is not located in cellular phone core service areas and, while there is some service available, users may need to move around to different locations to discover the best service.
6. **DOGS (Canine), FELINE (Cats) AND OTHER PETS**
With the exception for service animals, pets are not permitted on the property.
7. **DESIGNATED EMERGENCY VEHICLE (DEM)**
Each group must have one vehicle available in camp for emergency use.

8. **BOOKING AND DEPOSIT INFORMATION.** The AHSR operates on a fiscal year beginning September 1st through to August 31st. When booking dates for either day-use, cabin-use or outdoor-camping, please check with booking agent for availability. A deposit for booking is required and a cancellation and refund policy is in effect. [\(contact booking agent directly or see website for details\)](#)
9. **RANGE OFFICER Training.** Any group wishing to rent the Pelletry Rifles must have an individual who is certified with a Firearms Certificate or with the AHSR Range Officer Training. There is no provision for AHSR to manage the range for youth. The person in charge of the range must be trained and be present at all times when the range is in use. [\(contact booking agent directly or see website for details\)](#) Change to read the following: **Any group wishing to rent the Pelletry Rifles must have an individual who is certified through the AHSR with the Range Safety Officer Training. There is no provision for AHSR to manage and run the range for youth. The person in charge of the range must be trained and be present on the range at all times the range is in use. The training must be identified in MyScouts as TOE – Other Experience (TOE) – Pelletry.**
10. Equipment rentals should be requested at time of booking and noted on booking sheet.
11. No tent trailers or RV's are allowed unless you have a medical condition that requires its use. Prior approval is required.

When You Arrive

1. **PARKING**
 - **SOUTH END**
There are two designated parking areas at the south end. One is located immediately upon entering the camp on the right hand side and is primarily used for large camps of 200 + campers. The other parking area is located into the camp area and is located past Wade Lodge. **No parking or driving on the grass will be permitted.**
For groups using the building, one vehicle may be parked at the building on the gravel in front of the big doors. Please ensure that vehicles can pass on the road.
Unless specifically authorized by **Camp Rangers**, no vehicles may proceed past the gates into Kitchener Field.
 - **NORTH WEST END**
Vehicles may be parked at the top of the hill in the field only. Unless specifically authorized by Camp Rangers, no vehicles may proceed past the top of the hill at the field area. The parking lot is located on the left side prior to the camping area.
 - **NORTH EAST END**
By special permission only, an area will be agreed upon, depending on the time of year. Unless specifically authorized by Camp Rangers, no vehicles may proceed past the top of the hill entering the forested area.
2. **WADE LODGE – Cabin Building**
If using the camp building please refer to Cabin checklist located on the kitchen area countertop. All items must be checked, especially the smoke detector, carbon monoxide detector, fire extinguishers and well water signs.
IF ANY OF THESE ITEMS ARE NOT WORKING OR MISSING THEY MUST BE REPAIRED IMMEDIATELY PRIOR TO USAGE OF THE CAMP. IF YOU CANNOT GET THESE ITEMS WORKING PLEASE CONTACT THE CAMP RANGER on Duty
 - a) Smoking is not permitted on Scouts Canada property.
 - b) The carbon monoxide detector, smoke detector and fire extinguishers are not to be rendered inoperable.

- c) Cleaning of the wood stove is to be done on arrival. A metal bucket is provided. Please empty bucket into one of the fire pits when full.
- d) Wood stove damper is to be closed upon leaving. Ashes and any burning embers are to be left in the stove.
- e) All windows to be closed prior to departure.
- f) Cabin to be swept and cleaned prior to departure.
- g) Tables to be returned to storage position.
- h) Prior to departure, complete the checklist in the camp building.

WHILE YOU ARE AT CAMP (Day Use, Outdoor Camping or Cabin Use)

- 1. The fields have designated fire pits. No other fire areas are permitted unless you bring a fire container. The fire container is to be lifted clear of the grass by a noncombustible material (rocks, bricks, etc) and must be removed when leaving camp.
- 2. Please respect other campers. Quiet time is from 10:30 p.m. to 7:00 a.m.
- 3. The non-potable water sign is not to be altered/removed.
- 4. No trees are to be cut down. There is enough firewood located in the bush for campfires or in other designated areas. Do not use firewood stored behind the cabin for outdoor use as this is for cabin use only!
- 5. Bicycle helmets are mandatory for anyone bicycling on camp property.
- 6. Adult supervision is required for the play structure and climbing wall respectively.
- 7. Archery and pelletry rifles are only permitted in the range areas. AHSR Pelletry Rifles and Archery equipment must be used. A Range Officer is required and each group to have their own Designated Range Officer. Valid AHSR Range Safety Officer training is mandatory prior to booking. **(contact booking agent directly or see website for more details)**
- 8. Camp emergencies are to be signaled by the continuous blowing of a whistle in bursts of three blasts. Upon hearing this, all campers at the south end are requested to proceed to the front of the camp building. Campers at the north end are requested to gather at the parking area at the top of the hill.
- 9. Campers must not trespass on private property adjacent to the camp. (check maps and orientate campers)
- 10. All picnic tables are to be returned to picnic shelter areas prior to departure.

BEFORE YOU LEAVE

- 1. Ensure your camp area is clean.
- 2. Return all items (i.e. rocks, tables, poles) to their proper location.
- 3. GARBAGE POLICY – carry in, carry out. We do not have garbage pick up available.
- 4. Please report to a Camp Ranger before leaving if one is present. **(contact booking agent directly or see website for more details regarding booking, deposits and other information)**
- 5. Make AHSR cleaner than when you arrived.
